For the next month or so the Assessor and her assistant will be out inspecting all properties in Goshen that currently have an open building permit. Notification of this process was published in the recent Goshen Town Topics.

The Assessor is working on the Annual Report article from the Board of Assessors which is due by October 4, 2019.

Mapping updates are an ongoing project. The current goal is to align the map updates with the Grand List year so the data on the maps and GIS system matches the Grand List. After October 1st the latest revisions will be sent to New England GeoSystems so they can update the parcel lines and annotation.
