**10. Public Comment: (Two (2) minutes per person)**

Lee M. Kennedy, Clerk for the Library Board of Directors:

Shared a letter with the Board of Selectmen regarding her meetings with the Library Board of Directors; she experienced intimidation and a hostile environment. She no longer feels safe interacting with the Library Board.

Todd Carusillo reminded everyone that members of the Library Board are *elected* – therefore not "employees" of the town of Goshen.

Marianne Stilson agreed that the Library Board holds "elected" positions.

Janet Hooper explained the status of the town elected, i.e., serving needs of people. Look into collaborating with other towns; keeping an open mind with providing services.

Scott Fellows, the BOS is not involved with the Library issue. However, it has been made it an issue- Now Todd Carusillo needs to be involved. Perhaps the Library Board can adopt a code of ethics.

Audrey Blondin agreed with town of Goshen leaders serving the needs/services of their people. She agrees with Janet Hooper. She is willing to serve on the Zoning Board of Appeals.

Tony DiMarco (Chairman of the Republican Town Committee) - The book in question was not banned. It is online and available at our Library. In his opinion, he feels the book is pornographic. However, this is a free speech issue.

Kathy Budsyn stated that the book was not banned. Similar protections are in place for children, i.e., not driving until age 16, alcoholic beverages not sold to those under 21, rated movies, etc. They should not be able to access to pornographic books.

Susan Wheeler sent a letter to the BOS. She stated that Lynette Miller stands up for what she believes in to protect children, speaks for the town. Ms. Miller does what the voters elected her to do.

Mikey Pratt stated she shares importance of Head Librarian; She stands up and speaks for the town; the

Ashley Dadona has 3 kids; they don't deserve to see pornographic material; this is not for children.

Donna Beausoliel stated her support for Lynette Miller; no child should have to deal with adult subjects; no children should have to deal with it. She filed a complaint but has not had a reply.

Janet Hooper stated there are many ways to skin a cat; she doesn't respect her way she handled it this issue.

Felix Sambuco stated Lynette Miller was one of the first people he met when he moved here. He supports Ms. Miller. This book should be in the *Adult Only* section of library. He feels a compromise can be met.

Dexter Kinsella stated people of Goshen are passionate about this. People want this book to be placed where it is unattainable by children. Why not live up to standards?

Cindy Barrett is aware of Dexter Kinsella's comments and Janet Hoopers "many ways to skin a cat". There are cautions given that children cannot drive until a certain age, cannot purchase liquor until age 21, movies are rated for content, etc. This book should be placed in an appropriate place.

Todd Carusillo and the Board of Selectmen members have Board and commission members backs. Social media bashing is overboard.

#### **11. Adjournment:**

In a **motion** made by Dexter S. Kinsella, seconded by Scott Olson, it was **voted** to adjourn the meeting at 5:48 p.m. Voted unanimous.

Respectively submitted:

Lucille A. Paige, First Selectman's Aide
