Regular Meeting/Goshen Town Hall

7:00 pm

In Person & Zoom Meeting

The Regular Lake Weed Management Committee was held on April 26, 2022 at the Goshen Town Hall and Zoom. Present were Marty Harris (TL), Michele Fitzpatrick (TL), Simon Ellis (WSP), Lida Exstein (DP) and Joe Welsh (DP). Absent were Chris Sanders (WSP) and Chris Kennavane (WL).

The meeting was called to order by Mark Harris at 7:02. A motion to approval of Minutes for March 26, 2022 as corrected, was made by Marty Harris, seconded by Michele and unanimously approved.

1. Individual lake reports on lake activities

A. Woodridge No Report

B. Dog Pond Just received their 501 (C) 3 IRS non profit status. Questioned the use of QuickBooks by members. Plan on doing 2 weed pulling series in the North end. First in several days and again in the fall. The north end is so infected that no passage is possible at present.

C. West Side Plan on doing suction harvesting next month. Wanted to do a chemical treatment but Solitude failed to provide DEEP's NDDB with the required documentation to get the permit. They are unhappy with Solitude.

D. Tyler Lake Should have already had its first treatment but Solitude failed to provide DEEP NDDB with the requested documentation even thou they had that information.

2. Mark gave the committee the name, Kyle Gray at Throwe Environmental, about possible funding for Drain water filtration system that works on nutrient feed that effects all Lakes. To be looked into by committee.

3. We are inviting a quest speaker from Sustainable Goshen by the Name of Mady Flynn for a presentation on how we can work together.

4. The Board of selectman is recommending to the Board of Finance that the grant money to be given to the public lake amount to \$25,000 and sent to the new Friends of Dog Pond. West Side and Tyler will ARPA funds for non profit that Dog was not eligible for because they were not a nonprofit during the allowed period.

5. A motion to adjourn at 7:29 by Marty, 2nd by Michele and unanimously approved
