

Lake Weed Management Committee

Tuesday, July 25, 2023

***Regular Meeting/Goshen Town Hall***

***7:00 pm***

In Person & Zoom Meeting

The Regular Lake Weed Management Committee was held on July 25, 2023 at the Goshen Town Hall and Zoom. Present were Michele Fitzpatrick (TL), Marty Harris (TL), Simon Ellis (WSP)

Absent Chris Sanders (WSP), Lida Exstein (DP), Chris Kennavane (WL) and Joe Welsh

The meeting was called to order by Mark Harris at 7:04. A motion to approve of Minutes for June 27th was made by Marty and 2<sup>nd</sup> by Michele and approved.

1. Individual lake reports on lake activities

*A. Woodridge: No Report*

*B. Dog Pond: No report*

*C. West Side: Working with New England Aquatics to suction harvest the Curley Leaf Pond Weed. Made progress but is slow and expensive so is a longer-term project. Currently using NEAR and Kendra for Science reporting and planning.*

*D. Tyler Lake: Because of massive runoff from rain, we tested the lake for bacteria. Results were negative, fortunately. Currently doing suction harvesting at north end for Eurasian milfoil. We have endangered plants in that area and not allowed to use other means of control. Will do hydro raking in the fall for bogs and Lilly pads.*

*Other Business: Discussion on Mark's chairmanship after Nov election and what alternatives are available.*

*G. Motion to Adjourn: Made by Marty and 2<sup>nd</sup> by Michele and approved at 7:20pm*

Respectfully submitted

Mark S. Harris, Chairman
