2. Review Bids for Camp Cochipianne Pavilion Electrical Service:

The bids for the Pavilion Electric Service at Camp Cochipianee were reviewed.
(There is \$14,200 remaining in the Pavilion budget).

The bidders were C&M Electrical, Walker Electrical Contractors, LLC, Turri-Masterson, Inc. After thorough review, and phone discussion with Garret Harlow, Supervisor of Public Works, it was noted that an *additional* item to mitigate a ground water issue was necessary.

As such, a re-bid would be necessary in the spring.

In a **motion** made by Patrick Lucas, seconded by Sarah Leonard, it **voted** to return to the Board of Selectman advising that a second bid – “rebid” would be necessary at a future date following investigative work to be done by town personnel wherein modifications may be necessary to existing conditions. Voted unanimous.

Adjournment:

In a **motion** made by Sarah Leonard, seconded by Angela Rossbach, it was **voted** to adjourn the meeting at 7:41 P.M. Voted unanimous.

Respectfully submitted,
