Subject: CLEAR - Upcoming Training Webinar Announcement

Good morning, everyone,

As I have stated in a previous email, we will be providing our staple product, Land Use Commissioner's Basic Training, in a series of short 30 to 40-minute monthly webinars. These mini webinar training sessions will be offered at 12 PM (noon) on third Thursday of each month starting in March and ending in December (except for August). We have heard from many commissioners indicating they would like to get the proof of attendance. In order to provide the proof of attendance, we will need those who would like to attend the webinars to register. Here is the registration link where Commissioners can register for one or multiple sessions Meeting Registration - Zoom.

Below listed are the dates and subjects for the first four training sessions:
