Planning and Zoning Commission
Town Of Goshen
Goshen, CT 06756

February 26, 2023

Dear Fellow Commissioners,

It has been an educational experience to serve with you on this very important Commission. However, as publisher and CEO of the Goshen News, I have a conflict of interest. It has always been my intent to serve the people of Goshen in the best way I could.

To that end, there is new paper in Goshen; *The Goshen News*. And so, the quandary. The paper has a strict code of ethics, and Conflict of Interest policy that must be observed in order to keep the public trust and maintain the integrity of the paper. Even the appearance of a conflict can damage the basis of these policies. Serving on this Commission while sending reporters to public meetings has that appearance. Therefore, I have chosen a different route to serve the people of our town and hereby resign my position as Alternate Commissioner of The Planning and Zoning Commission.

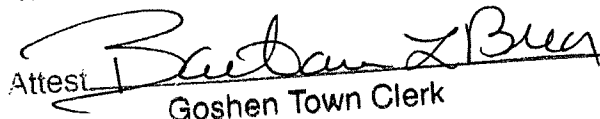

It has been my honor and a privilege to serve with you.

Best of luck in the future.

Leya L. Edison
