Teachers’ pension contribution went from 6% to 7% and the States obligation for contribution will continue to stay with the State.

Town Hall staff members are being offered an AED/CPR training through the Recreation Department. The Town will be purchasing an AED for the town hall which will be housed in a cabinet in the main hallway.

Road projects are wrapping up with backing up the edges of the recently paved roads and grading is being completed on dirt roads. Garret was pleased with Lane Construction Corporation who was contracted to complete the road project for West Street and Westside Road.

Public Works is generally ready for winter, topping off sand and salt stock pile and getting the trucks ready.

Bob had attended an Open Space and Watershed Land Acquisition (OSWA) Grant workshop; possible opportunity if we purchase the property at 1097 East Street North. Although the current grant round timing may not work. If we are unable to use this grant this time it could be helpful in the future.

The First Selectman office has received complaints on the rotary, traffic flow, noise, yielding issues. Bob will be meeting next week with ConnDot traffic engineer to discuss the rotary.
