Fire Chief’s Report: Chief Barry Hall reported that the Company responded to 34 calls in January, 29 EMS, 2 MVA, and 3 assorted Fire calls. EMS has been very busy and the members have been doing a great job covering the calls with little mutual aide. Our members from other towns have come to help complete a crew on a few calls, which has been great.

The EMS class held at the firehouse is finishing up. The practical test for the class is scheduled for March 5, 2022. Barry would like to see another class offered soon. He would like to see the majority of the Company members become EMR’s to better be able to complete a crew.

IN A MOTION by Don Sage and seconded by Tony Damiani, it was VOTED to accept the Fire Chief’s report as presented.
